COMMENT: VA SHIT IS WACK.

The diagram illustrates a comment thread structure. It consists of three horizontal entries, each separated by a thick horizontal line. Each entry is represented by a small box on the left containing a stylized person icon and a label (e.g., 'AVATAR', 'UPVOTES', 'COMMENT'). The text to the right of each box represents the content of that field.

- Entry 1:**
  - UPVOTES: 1
  - COMMENT: YO SHIT IS WACK.
  - @LINE 1 "COMMENT OVERLAYS"
- Entry 2:**
  - USER: the ARCHITECT
  - UPVOTES: over 9000
  - COMMENT: 0 SIT
- Entry 3:**
  - USER: BROWN
  - UPVOTES: -1
  - COMMENT: LOLOLALOLALOL
